Do you know a talented young person who loves drawing, making, building and creating?

Criw Celf Primary is an Arts Council of Wales funded project for children who have shown a talent or special interest in Art. Young people from the Swansea and Neath Port Talbot areas, in Years 5 & 6 can apply and become part of this exciting creative project at Mission Gallery.

Over several weeks, taking place on Saturdays, participants will have the opportunity to enjoy **five master classes** led by professional artists and designers, exploring a range of art techniques and skills. This is an amazing opportunity to be part of a regular art club, make new friends with similar interests and learn new skills.
