Developing creative practice across the Visual and Applied Arts 2022

Raising the Bar offers students studying at further education the chance to gain a wider experience of the visual and applied arts. Alongside their current studies, they will experience several masterclasses held at Mission Gallery, Gower College and Swansea College of Art, UWTSD. The students will expand their creative practice by enjoying access to outstanding facilities, processes and technical workshops.

Raising the Bar is available for students in Swansea and Neath Port Talbot studying Art & Design subjects at Further Education level (BTEC, A & A/S Level).

Information for Teachers/Individuals

The programme includes:

Master class workshops in a variety of Art and Design areas, taking place over weekends in Summer

The opportunity to experience working alongside professional Artists and Designers

A professional group exhibition showcasing the work that has been created during Raising the Bar master classes.

An Art Materials Kit and certificate of their achievement upon completion of the programme.

Each school can nominate students who demonstrate exceptional ability in the field of art, craft or design. Teachers may send this as one large application.

Applicants will be informed regarding their success by the end of **May**

How to apply

Submit at least 3 images of your work that you feel demonstrates your artistic ability.

Please include your contact details; name, age, address, email and telephone number. Plus the school you attend and art teacher.

Alternatively we can arrange a portfolio viewing with your school.

These must be sent by post or email to Mission Gallery by Friday 13th May:

apply@missiongallery.co.uk

The programme has a fee of **£20** which participants will be asked to pay on acceptance of their place. Although **there are bursaries** available to those who are unable to meet the fee- please inform us if this is the case.

If you have any questions, please email or phone Mission Gallery:
megan@missiongallery.co.uk

Please note depending on the level of submissions, applications may close early
